

AACR JOURNAL PORTFOLIO

Must-Have Content. Anytime, Anywhere.

WHO WE ARE

- Founded in 1907
- First and largest scientific organization focused on cancer research
- 37,000 members working in laboratory, translational, and clinical research
- Publish 8 peer-reviewed, authoritative journals covering advances in the causes, diagnosis, treatment, and prevention of cancer
- Journal editors and editorial boards recognized as preeminent in the field

“The mission of the American Association for Cancer Research is to prevent and cure cancer through research, education, communication, and collaboration.”

Dr. Margaret Foti, PhD, MD (h.c.),
AACR Chief Executive Officer

SMALL JOURNAL PORTFOLIO, BIG IMPACT

Journal	Impact Factor	Rank (of 217 Oncology Journals)
<i>Cancer Discovery</i>	20.011	7
<i>Cancer Epidemiology, Biomarkers & Prevention</i>	4.142	63 (24 of 176 public health journals)*
<i>Cancer Immunology Research</i>	8.284	17 (13 of 150 immunology journals)**
<i>Cancer Prevention Research</i>	3.985	67
<i>Cancer Research</i>	9.122	15
<i>Clinical Cancer Research</i>	9.619	12
<i>Molecular Cancer Research</i>	4.974	49
<i>Molecular Cancer Therapeutics</i>	5.764	36

**Cancer Epidemiology, Biomarkers & Prevention* is also ranked in the Public, Environmental and Occupational Health category in *Journal Citation Report*.
 ***Cancer Immunology Research* is also ranked in the Immunology category in *Journal Citation Report*.

- 4 of the AACR journals rank in the top 8% in the world in the Oncology category*
- AACR journals represent 3.7% of all of the journals in the Oncology category but receive 15.5% of all citations, worldwide*
- *Cancer Discovery* ranks 7th in the Oncology category, with its fourth Impact Factor of 20.011*
- *Clinical Cancer Research* ranks 12th in the Oncology category with an Impact Factor of 9.619*
- *Cancer Research's* Impact Factor of 9.122, ranks the Journal in 15th in the Oncology category*
- The Impact Factor for *Cancer Immunology Research* increased over 24%, to 8.284, compared to the previous year*

*According to *Journal Citation Report*; Clarivate Analytics 2017.

STATE-OF-THE-ART SEARCH & DISCOVERY, AVAILABLE ANYTIME, ANYWHERE

- Available via HighWire Press since 2001
- New interface, now available, to enhance readability and navigation
- Lens feature with improved HTML view, rich intra-article navigation, and additional views of figures and references next to related text
- Mobile-optimized interface providing full-text readability on the go
- Produce complete results with one seamless search using the cross-journal search feature
- Determine which articles to explore further with an instant abstract preview on the search results page

- Keep up to date on a particular research area with email alerting and RSS feeds
- Mobile vouchers for connecting to out-of-institution network

A SOLID INVESTMENT YIELDING RESEARCH SUCCESS

- Track your institution's usage via COUNTER-compliant usage reports generated at your request
- Administer access with ATHENS authentication
- Enable users to access appropriate content through open URL linking
- Added-value archival package includes back to volume 1, issue 1 for each journal
- Available anytime, anywhere at the point of need via desktop, tablet and other mobile devices

PURCHASE OPTIONS

AACR Journals Suite

Licensed* access to all journals in the portfolio

Cancer Discovery

The essential information source to serve the diverse professional community in cancer science and medicine

Cancer Epidemiology, Biomarkers & Prevention

Translating science to populations

Cancer Immunology Research

Illuminating the interplay of cancer and the immune system

Cancer Prevention Research

The forefront of prevention science

Cancer Research

Driving innovation to prevent and cure cancer

Clinical Cancer Research

Clinical and translational research bridging the laboratory and the clinic

Molecular Cancer Research

Defining the molecular basis of malignancy and progression

Molecular Cancer Therapeutics

The journal of cancer drug discovery & preclinical development

Other Options

- **Combo** Licensed* Access to **Cancer Research** and **Clinical Cancer Research**
- **Combo +1** Licensed* Access to **Cancer Research**, **Clinical Cancer Research** and **one other journal**
- **Combo +2** Licensed* Access to **Cancer Research**, **Clinical Cancer Research**, **two other journals**, and **Cancer Reviews Online**

*All licenses have print purchase options. Contact sales for details.
