

## AUTHORSHIP CHANGE FORM

For any change in authorship of a submitted manuscript, the AACR requires that this form be filled out and signed by all authors, including any author(s) being added or removed. For guidance, this form must be signed if an author has been added to or removed from the manuscript, if the author listing order has changed, or if there was any change in designated co-authorship. Please indicate the last change using a superscript symbol and footnote. The completed form should be returned via email to the relevant journal office.
